Dear Mr Marks, (1)

I understand that the debate on Asbestos will be on Friday, 23 October.

Could you please, within the next eight weeks, let me have the speech you would like to make (were you able to), in that Debate? In particular, points of disagreement with EEC documentation, points to urge, etc.

Perhaps you would send this to me at 14 Emma Street, Rochdale, as the House is now in Recess. I will then read it and telephone you to discuss it.

Kind regards.

Yours sincerely,

CYRIL SMITH, MBE., MP
